Dear Kevin and Krista,

I'm so thankful to receive your *\$250 gift to continue the ministry of Prestonwood Pregnancy Center (PPC)!

Your gift will help provide ultrasounds, counseling, family support, training classes, and practical assistance to pregnant women and their families—in the hope that they'll choose life for their baby.

And so far this year, 89% of the women who've come to PPC for help have chosen life!

More and more women are coming into the center and our mobile clinics, which means more babies are being saved with every passing week—and more families in your community are hearing the Gospel.

You play a major role in making this ministry possible in Dallas and the surrounding area. So thank you, again, for your wonderful generosity. And please keep praying that our clients will choose life. I'm grateful for you.

God Bless,

Leanne Jamieson
Director

Dear Kevin and Krista,

Thank you for your recent *\$200 gift to help more women find solutions to their unplanned pregnancy that are practical, hopeful, and life-giving!

When I think about the difference your support makes, Jesus' words from John 15:12 come to mind...

"This is my commandment, that you love one another as I have loved you."

Thank you for loving these women in crisis. They often come to us scared, confused, and hopeless. But at Prestonwood Pregnancy Center they find a safe, nonjudgmental refuge.

And through the counseling and free pregnancy services we offer at the center, they find comfort, empowerment, and hope. As a result, many of them choose life!

I'm so grateful for your gifts and prayers that help make that possible.

So thank you again for centering love and care on women in need and their babies. May God bless you for your faithful support of all life!

Blessings,

Leanne Jamieson

Dear Kevin,

Thank you for making North Texas Giving Day a success for the Prestonwood Pregnancy Center (PPC). Your generous \$500 gift helped us to surpass what we raised last year. Praise be to God!

Every day we get to embrace women who are dealing with an unplanned pregnancy. It's not always easy, but it's always worth it! Each encounter allows us to shower them with the love of Christ and empower them with life-giving solutions. Ministering to these women would not be possible without partners like you.

Thanks to your generosity PPC will reach even more women who are considering terminating a pregnancy. Your support ensures that we can continue to center our love and care on pregnant women so more unborn lives can be saved.

I'm grateful for you!

In Christ,

Leanne

Dear Kevin and Krista,

Thank you so much for your generous *\$200 gift to help hurting women so they can be empowered to choose life.

It's tragic that Planned Parenthood commits 887 abortions a day and ends the lives of over 320,000 American children every year. That means that thousands of pregnant women who walk into a Planned Parenthood facility walk out without their babies.

Because of your gifts, Prestonwood Pregnancy Center empowers our mothers in crisis to choose life for their babies, and 93% of them do so! Our staff helps them provide the best future for the child, either through adoption or with parenting classes, continuing education opportunities and support groups.

Most of all, your valuable support allows every woman who walks into our doors the opportunity to embrace a relationship with Jesus Christ!

Thank you for showing God's love through your gifts and prayers. Those are truly priceless gifts.

Grateful for you,

Leanne Jamieson

Dear Kevin and Krista,

Thank you for giving *\$200 to help center God's love and care on more pregnant women in crisis.

Dear Kevin and Krista,

Thank you for your gift to Prestonwood Pregnancy Center—especially this year, which marks the ministry's 25th anniversary.

Your support is allowing us to continue saving unborn lives and serving vulnerable women with unplanned pregnancies. Together, we are providing them with a safe haven of unconditional love, counsel, and peace.

And that makes an incredible difference, as new mom Taylor explains...

"I was relieved to find that Prestonwood Pregnancy Center was able to provide me with everything I needed: resources, parenting classes, baby items, and my first sonogram."

Thank you again for saving lives and helping women like Taylor come to Christ. I'm grateful for you!

Sincerely,

Leanne Jamieson

Dear Kevin and Krista,

Thank you so much for giving *\$250 to help show God's love to more pregnant women in crisis.

As you can imagine, it's a frightening and stressful time for many women who come through the doors of the center or our mobile clinics. Often, they just want to make "the problem" go away as quickly as possible.

But when a pregnant mom—and those close to her—see her baby on the ultrasound and hear the heartbeat, that's the moment when the walls begin to come down. That's when "the problem" becomes a person.

Every day, people are praying for women who are making a life-or-death decision about their baby. And through your support, women are offered quality pregnancy care and loving counsel to help them find a life-giving solution.

Thank you for the powerful way you're saving lives and giving vulnerable women hope and support during a difficult time in their lives. You're a blessing.

Gratefully,

Leanne Jamieson
